

Phonology 2013
November 8-10
University of Massachusetts Amherst

Invited Speakers

John McCarthy, UMass Amherst
Sharon Peperkamp, LSCP Paris
Kevin Ryan, Harvard University

We are seeking high quality unpublished research in all areas of phonology for presentation at Phonology 2013, to be held November 8-10 on the campus of the University of Massachusetts Amherst. This is planned to be the first in an annual series of general phonology conferences, to be held at a different location each year. In addition to the invited speakers, there will also be oral and poster presentations selected through abstract review. All oral presentations will be published in an on-line conference proceedings.

Abstracts should be anonymous, and a maximum of 2 pages in 12 point font, figures and references included.

They can be submitted at

<http://linguistlist.org/easyabs/phonology-2013>.

The deadline is midnight US EST, Wednesday July 1.
